ABOUT US & VISION

**Leading Brass & S.S Product
Manufacturer In India For 20 Years.**

Established in 2004 in Jamnagar, Tanya Products has built a rich heritage of experience, knowledge, and uncompromised quality standards. Our vast expertise has given us a competitive edge in the highly demanding global market.

We are proud to announce a major milestone in our journey: **Our manufacturing facility is now powered by 100% Green Energy.** This significant step reflects our commitment to sustainable practices without compromising the quality and quantity you expect. We have equipped our factory with modern machinery to ensure we remain a leader in the industry, now with a cleaner footprint.

Our mission is to supply the best quality products to meet our customers' unique design criteria. The company promises and delivers consistent quality, timely shipments, and the most competitive prices, all while building a sustainable future.
